GAME TIME

1. We're going to play KRISTANG SNAP!
2. GRAB A DECK OF POKER CARDS, SHUFFLE THE DECK AND DEAL THE CARDS OUT FACEDOWN TO EACH PLAYER UNTIL NONE REMAIN. DON'T LOOK AT YOUR CARDS.
3. The object of the game is to be the first person to finish your pile of CARDS!

GAME TIME

4. Play starts with the person to the left of the dealer:

1. Player A puts down a card and says "ngua".
2. Player B puts down a card and says "dos".
3. Player C puts down a card and says "tres".
4. Player D puts down a card and says "kwartu".
5. Player A puts down a card and says "singku".
6. And so on until des, whereupon the count restarts to ngua.

GAME TIME

5. Every time the number on the card matches the number being said, all players must then put a hand on top of the pile in the middle ("snap in").

The last player to do so takes the pile!

e.g. Player A puts down a card and says "seis". The card is a six of hearts. All players must snap in!

6. Do the same when two cards in a row are of the same number.

GAME TIME

1. When one person runs out of CARDS, that player must SNAP in to win.
8. In this round, JACK, QUEEN AND KING HAVE NO effect.

GAME TIME

1. We're going to play Connect Six!
2. Each group gets an A3 grid and four dice.
3. Each turn, roll the dice. Say the number you get out loud, and write the number you get on the grid.
4. The first person to make a sequence of six consecutive numbers on their turn wins! e.g. 4, 5, 6, 7, 8, 9. You can use other people's numbers.
